

Special pencil

Multigraph pencil

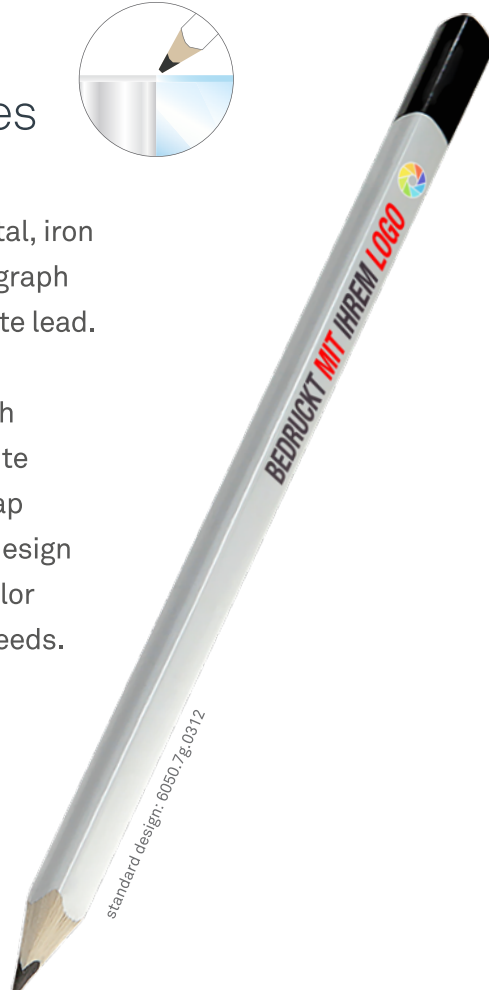

Special graphite lead
for all smooth surfaces

Writing on smooth surfaces like metal, iron or glas is no problem with the Multigraph pencil thanks to a special 7B graphite lead.

The classic version of the Multigraph pencil has a triangular shape, is white lacquered with a black lacquered cap and sharpened. With an individual design lacquer color, shape and lacquer color of the cap can be adapted to your needs.

Certified quality
(made out of lime wood)
